EXT. CITY OF HALGATE - LOWER DISTRICT - ABANDONED ALLEYWAY  
- NIGHT

RAIN covers the ABANDONED ALLEYWAY. The GRAFFITI ART PIECES on the wall are destroyed, and there are SOUNDS of EXPLOSIONS and WARFARE in the background.

ALAIN LEWIS (male, human, 34) clutches LORELAI ALARIE (female, human, 34) by her head. He drives Lorelai's head into the broken GRAFFITI HEART, causing the ground to SHAKE and RUMBLE.

Alain retracts his hand and grows ELONGATED CLAWS. He prepares to attack Lorelai, but freezes at the sight of the broken graffiti heart.

Suddenly, everything becomes WHITE NOISE to Alain. He hears SOUNDS of GRAFFITI SPRAYING and a VISION of him and Lorelai laying under the graffiti heart.

IMAGINARY LORELAI

*Why don't you show me a good time?  
Just like the old days.*

The IMAGINARY Alain and Lorelai laugh, and then embrace each other. The REAL Lorelai slowly stands back up, causing the imaginary Alain and Lorelai to turn to dust.

Alain's body shakes as a WEEPING Lorelai places her bloody hand on the broken graffiti heart.

ALAIN LEWIS

Lori, I don't want to hurt you  
anymore!

Lorelai spits out blood and stares at Alain.

LORELAI ALARIE

I don't want to hurt you either,  
Al.

(beat)

But I would rather kill you with  
my own hands than lose you to  
those monsters.

ALAIN LEWIS

Lori, please! All you need to do  
is coexist with the Legion! It's  
that simple!

LORELAI ALARIE

Live with the monsters that  
tortured me my entire life?! You...

Lorelai wipes some TEARS from her eyes and prepares for  
battle. Alain's hands momentarily shake, but he also  
prepares for battle.
