EXT. CYBERSAWA - MARKET DISTRICT - DAY

A young girl named Sersi (female, Spanish, 17) shoots FIREBALLS at SHOTO HINODE (male, Japanese, 23), who casually dodges them. A man in a suit named ROMA FAVELA (male, Spanish, cyborg, 40) stands amongst the CROWD watching the fight.

Shoto swiftly throws a CYBERSTAR near Sersi's feet, which completely startles her. Shoto sprouts his retractable EAGLE WINGS and flies towards Sersi. A large gust of WIND emerges from Shoto's flight and slowly turns Sersi's MOLTEN ORANGE BODY to her NATURAL SKIN COLOR.

Sersi looks up to see Shoto standing before her. She places both her hands in front of Shoto's face and prepares a FIREBALL ATTACK. However, Shoto quickly grabs both her wrists and aims her hands downward. Shoto smirks.

SHOTO

Easy there. You don't want to burn
your pair of Vanishes.

Both Shoto and Sersi look at her pair of VANISHES SHOES. Shoto retracts his grip and lightly winces. He blows on his smoking hands as Sersi drops knees first on the floor.

SERSI

You win. Just take me to jail
already.

Shoto walks towards Sersi and stands before her. Sersi's body begins to tremble.

SERSI (CONT'D)

Please, Cyberlord Shoto. I don't-

Shoto smiles and puts his hand out.

SHOTO

Hey, don't be scared. Get up.

Shoto helps Sersi stand. Sounds of CLAPPING get louder and louder. Shoto and Sersi turn to see Roma clapping.

ROMA

Great job on apprehending the criminal, Cyberlord Shoto.

SHOTO

Apprehending? I think you're misinterpreting the situation, Roma. And please, call me Shoto.

SERSI

So... what are you going to do to me?

Shoto wraps his arm around Sersi and places his hand on her shoulder.

SHOTO

I have people back at the capitol that can help you with your powers, but that's only if you come with us.

SERSI

Really?

ROMA

With all due respect Cyberlord Shoto-

SHOTO

Just Shoto.

ROMA

Right. Shoto, it might not be wise to bring someone as dangerous as her back with us.

SHOTO

Trust me, Roma. I know what I'm doing.

Roma and Shoto momentarily look at each other in silence.

ROMA

If that is your choice, Shoto, I will happily accept it.

SERSI

Why are you helping me?

SHOTO

Just take a look around.

Sersi watches the people in the crowd disperse and put out the fires. Some people clear the debris and help those stuck under the rubble.

SERSI

I... I'm sorry.

SHOTO

Now that you've noticed, will you come with us?

Sersi looks around again and sees the TALL, SHINY BUILDINGS across the MARKET DISTRICT and the BRIGHT, SUNNY SKY.

SERSI

Yes. I don't want to destroy any more things.

Shoto smiles.

SHOTO

That's good to hear.

Shoto, Sersi, and Roma walk through the market district while the people around CHEER and CHANT Shoto's name. The camera pans out of Shoto, Sersi, and Roma and onto the flourishing city of CYBERSAWA.
